

Professional Skills, Careers, and RSM100

September 8, 2026

Professional Skills & Career Exploration (PACE)

- **Academic and professional success** starts with knowing yourself, working effectively with others, and building professional relationships.
- As part of RSM100, you'll complete a series of **Professional Skills and Career Exploration (PACE)** modules and assessments designed to help you:
 - Explore your interests, strengths, and potential career paths
 - Develop networking and professional relationship-building skills
 - Strengthen teamwork, collaboration, and communication skills
 - Learn responsible academic and professional practices
 - Prepare for success at Rotman Commerce and beyond
 - Build skills to directly support your Business Plan project

Project and Career Supports for You

Why does this matter?

Students consistently tell us they want more opportunities to **explore careers** and **develop professional skills early in their degree**. The PACE modules help you connect what you're learning in the classroom with your future academic and career decisions.

Career Exploration Focus

- Complete the **CareerLeader® Assessment** to better understand your interests, motivations, and strengths
- Learn practical **networking strategies** and apply them through Rotman Commerce networking opportunities

Support for your RSM100 Business Plan Project

- Work effectively in your project teams
- Effectively cite, incorporate sources, and write and present clearly.

**Rotman
Commerce**

PACE = 15% of your final course grade

- **Includes some assessments related to the Business Plan Competition, such as the teamwork contract.**

Your PACE Journey This Term

Module 1: Integrity, Community, and Career Discovery

- Academic integrity and university expectations
- Student support resources across RC and the University
